

WHAT'S THE [EMOTIONAL] WEATHER?
BETTER CHECK THE SADAR
YOU'LL HEED THE WARNINGS THIS TIME, RIGHT?

MELANCHOLY METALHEAD : ur neck has arthritis but ur heart still needs catharsis. it's okay to step out of the pit...we know ur really at the Saosin show.

BONFIRE BUSKER : you've been blacking out the friction for twenty years. "nudges capo in ur direction, follows u into the dark". today, u will be loved. "dodges DMCA suit"

HOLGA'S HERO : if every shot is bokeh, maybe it's ur lens?

Heartbroken Poet : *feasting on my blood/lyme fears, lost pills. fuck. le sigh/ that bird laughed at me.*

u know what, stop touching grass. go do ur homework in the computer room.

Nerdcore Neighbor : you invite people to your LAN party but won't let them connect. we showed up. we wanted to play with you.

Half-Pipe Philosopher : u figured it all out at 15, sketched out on writing it down, spent 20 years mall grabbing. the poet's in the computer room. y'all could stomp it.

SCENE KING : ...and now u report to Chad Abercrombie. Got2b wondering if ur youth was wasted or ur adulthood.

Arm Warmer Punk : you've been ur own POW for two decades. we've tied a studded belt round the ole' cork tree...please start negotiating ur release.

Apropos Acolyte {a divine message for the otherly dejected} u weren't scene, u were on the scene. stop compiling. be seen.

U HAD DREAMS, CIRCLE THE ONES U RECOGNIZE. THE SLEEPYHEAD TYPE OF DREAMS, NOT THOSE CRUSHED ONES YOU'RE USUALLY GOING ON ABOUT...

~car won't start. u r the car. ~there go ur teeth and sense of power over ur life. ~u can't find the room ur avoiding. ~ naked in public but not on purpose this time. ~the toilets are overflowing; time to plunge into the backlog. ~ u said yes. u meant no. about the big thing. shit.

OH MY BAD. UR GETTING OLD - IT'S ACTUALLY ALL CRUSHED DREAMS. WANNA TALK ABOUT IT FOR SERIOUS? MIGHT HELP, MIGHT GIVE U NEW ISSUES:
